Welcome to TSG Siegen!

We welcome you as a new member and offer you the club-standard "DU".

We hope that by joining our wide range of offers you will have found a department that corresponds to your sporting ambitions and in which you feel at ease both athletically and personally.

Here is some information in connection with the club membership: Membership can be terminated with a notice period of 6 weeks to the end of the year. The notice of termination must be given in writing to the board of the association.

The fee for young people is € 5.00 and for adults € 7.00 per month (from 1.1.2022). The collection of contributions takes place either quarterly, half-yearly or annually in advance. There is a one-time registration fee of € 5,00. Payment is made by direct debit. Family contributions can be requested from the board of directors. If additional fees are charged in individual groups, the respective instructor will provide information. In the badminton department, the money for the shuttle cocks is currently € 1,50 (up to 14 y.) / € 2,50 (up to 18 y.) / € 5,00 € and is collected with the club fee.

As part of the sports aid scheme, every member is additionally insured against accidents that may occur during the sports activities of the club. The contributions to sports aid are already included in the membership fees. If a sports accident should occur during the practice hours, the trainer is responsible for reporting the accident to the office immediately.

TSG Siegen holds its sports lessons in various gyms in the city of Siegen. We have no influence on the condition of the gyms, the sports equipment and sanitary facilities available there. However, we assume that our members treat the gyms and their facilities with care and leave them as clean as they wish to find them.

Gyms are unfortunately popular objects for "thieves" and it is almost impossible to protect changing rooms against unauthorized intruders. Therefore, please never leave valuables in the changing rooms, but take them with you into the training area.

The executive board can be reached in the office during business hours and is available for questions and suggestions during this time. On the next page you will find the request for information in accordance with Article 15 GDPR.

With sporty greetings

TSG Siegen 1846 e.V.
